Do you ever wanted to look beyond  
The clouds and the stars?  
Want to know what causes the trees to burn  
And what changes the darkness into the light?

If you talk like this, people call you crazy  
But if I could discover just one of these things  
What eternity is for example  
I wouldn't care if they did think I was crazy

So fine, so elegant  
Fun with no money spent  
Each minute without a day boy

That's why I'm asking you  
What is a girl to do  
To make you notice her too?

Marching to a different beat  
When we walk down the street  
Other girls won't alarm us  
They think we're the cat's pajamas

That's why I'm asking you  
What is a girl to do  
To make you notice her too?
