Back burner...

Put it on a back burner momma
I ain't gonna let you down
Put it on a back burner momma
Promise you I'll stick around

Everybody up and sliding
Bump and grinding
I ain't gonna let you down
Promise you I'll stick around

Put it on a back burner momma
I ain't gonna let you down
Put it on a back burner momma
Promise you I'll stick around

Ain't gonna be back sliding
Up and out again
I ain't gonna let you down
Promise you I'll stick around

Everybody up and sliding
Bump and grinding
I ain't gonna let you down
Promise you I'll stick around
