Just isn't fair, cuz I still care  
Although I love you gurl, I'd rather be alone

You want me to forgive you  
You said please understand  
Gurl you made me a fool  
I thought that I was your only man  
You don't know how it hurts me  
To learn that I was wrong  
Though I gave you my heart  
You were just playing me all along

Too late to work it out  
Cuz I know my minds filled with to much doubt  
To ever try it again  
I guess deep down I know you'll have to go

But it's just isn't fair, cuz I still care  
Although I love you gurl, I'd rather be alone (I'd rather  
be alone)  
I know it's wrong, I can't go on  
Although I'll miss you gurl, I'd rather be alone (I'd  
rather be alone)

There was no need to use me  
There was no need to lie  
When I think of the times  
We were together gurl, I juss cried  
Its crazym but I still love you  
After all things you've done  
You don't know what you mean to me  
Baby, I thought that you were the one

We can't work it out  
Cuz I know that my hearts filled with too much doubt  
To ever try it again  
I guess deep down I know you'll have to go

But it's just isn't fair, cuz I still care  
Although I love you gurl, I'd rather be alone  
I know it's wrong, I can't go on

Although I'll miss you girl, I'd rather be alone

Gurl, we can't work it out  
Cuz I know my minds filled with to much doubt  
To ever try it again, baby  
Cause deep down I know you'll have to go, It's not fair

Just isn't fair, cuz I still care  
Although I love you gurl, I'd rather be alone (I'd rather  
be alone)  
I know it's wrong, I can't go on  
Although I'll miss you gurl, I'd rather be alone (I'd  
rather be alone)

Just isn't fair, cuz I still care  
Although I love you gurl, I'd rather be alone (I'd rather  
be alone)  
I know it's wrong, I can't go on  
Although I'll miss you gurl, I'd rather be alone (I'd  
rather be alone)

Just isn't fair, cuz I still care  
Although I love you gurl, I'd rather be alone (I'd rather  
be alone)  
I know it's wrong, I can't go on  
Although I'll miss you gurl, I'd rather be alone (I'd  
rather be alone)
