Is this all  
Is this all  
Is this all  
Is this all

I am so too  
I am so too  
I am so too  
I am so

Is this all  
Is this all  
Is this all  
Is this all

I am so too  
I am so too  
I am so too  
I am so

I could take you there  
But I don't know how to get there  
I could take you there  
But I don't know where to go

I am so too  
I am so too  
I am so too  
I am so

Is this all  
Is this all  
Is this all  
Is this all  
Is this all  
Is this all  
Is this all  
Is this all

I am so too  
I am so too  
I am so too

I am so

I could take you there  
But I don't know how to get there  
I could take you there  
But I don't know where to go  
I could take you there  
But I don't know how to get there  
I could take you there  
But I don't know where to go  
I could take you there  
But I don't know how to get there  
I could take you there  
But I don't know where to go
