Take all the money  
Steal all the clothes  
Shoot off your pistol  
Cause anything goes  
Please don't do it in here

Break down the door  
Chop up the floor  
Kick out the ceilin'  
And anything more  
Please don't do it in here

Kick off the roof  
Break out the panes  
Smash in the walls  
And bust out your brains  
Please don't do it in here

Take all the money  
Steal all the clothes  
Shoot off your pistol  
Cause anything goes  
Please don't do it in here

Break down the door  
Chop up the floor  
Kick out the ceilin'  
And anything more  
Please don't do it in here

Kick off the roof  
Break out the panes  
Smash in the walls  
And bust out your brains  
Please don't do it in here
