Oh Sally, don't you cry  
Oh Sally, don't you cry  
A man's a man, does the best he can  
Oh Sally, don't you cry

Oh Sally, don't you moan  
Oh Sally, don't you moan  
Go hang up the phone  
Give the dog a bone  
Oh Sally, don't you moan

Sally, it ain't so bad  
Sally, it ain't so bad  
I see you are mad  
But he's the best you've had  
Sally, it ain't so bad

Oh Sally, sail on by  
Sweet Sally, sail on by  
Oh, the times are hard  
When you question why  
Oh Sally, sail on by  
Oh Sally, sail on by  
Oh Sally, sail on by
