(Intro)

Rise within us Holy Spirit
Rise within us with healing in Your wings
Holy Spirit
We're ready, ready, ready for You

Rise within us Holy Spirit
We're ready
We're ready
We're ready for You

Rise with power Holy Spirit
We're calling
We're calling
We're calling for You

Rise with healing Holy Spirit
We're desperate
We're desperate
We're desperate for You

Show Your glory Holy Spirit
We're longing
We're longing
We're longing for You

We're ready
We're ready
We're ready...

For a breakthrough
For a breakthrough, breakthrough...
