(feat. Slim)

Baby You Know I'm Feeling You
And You Say You Feel Me Too
But I Don't Know What We Should Do
'cus I'm So Crazy Over You

We Try To Find Ourselves Through All
The Drama In Our Lives
We Ain't Worth It But
It's Okay Because
We'll Work It Out

From The Moment That I Saw You Babe
Thought That We Could Be So Good
The Situations Got My Time Of Day
Find It Hard To Make It Through

I Know We Have A [?]
'cus When Things Go Wrong
But No Matter What We Go
[?] Carry On
Sometimes I Wanna Let Go
But Then I Keep Holding On
So What We Gonna Do Baby
With This Unperfect Love
