Come Holy Spirit, O how we need you
Come Holy Spirit we need you
Come with Grace and fire
Mighty Rushing wind
Comforter and Breath of heaven
Fill my heart again

Come holy Spirit O How we need you
Come Holy Spirit we need you
Come with Heavens power
Let the rains descend
Times of sweet refreshing
Jesus fill my heart heal my heart
Fill my heart, Heal my heart
Fill my heart again

Come Holy Spirit, Oh How I need you
Come Holy Spirit I need you
I need you

I need thee oh I need thee

Every hour I need thee
Bless me now my savior
I come to thee
I praise you , I praise you
Praise the name of Jesus
He's my rock, He's my fortress
He's my deliverer in him will I trust
Praise the name of Jesus
I worship you, I worship you
I worship you, I worship you

I give you praise
For you are my righteousness
I worship you almighty God
There is none like you 4x
