Vamp:

God, give us a heart, give us a heart
Give us Your heart
God, give us a heart
Deep cries out to deep
God, give us a heart, give us a heart
Give us Your heart
God, give us a heart
For the least of these

Lord, I reach for You
Lead me to Your heart
And I thirst for You
Draw me deeper still

Chorus:

Deeper into the water
Deeper until I'm under
Oh, oh, oh, oh
Living water flow and overtake us
Oh, oh, flow
Healing water flow and overtake us,
Overtake us Lord

Close enough to feel
The cadence of Your heart
Streams of justice flow
To the least of these

Chorus

Vamp (2x)

For the least of these,
For the widow and the orphan, Jesus
For the elderly among us, God
Give us a heart for Africa

Oh burn it deep within us
Burn it deep within us God
Take us deeper

Take us deeper
