Verse One: I'm not a man, I cannot lie. I know the plans for your life, I'm asking you to dream again, believe again and take the limits off of me.

Verse Two: No I'm not a man, I cannot lie. I know the plans I have for you they're my design, so I'm asking you just to hope again and trust again and take the limits off of me.

Chorus: All I'm asking is take the limits off, take the limits off, release me to accomplish what I promised you, take the limits off me, take the limits off release me release me

No Limits (Enlarge My Territory)

No limits no boundaries I see increase all around me stretch forth break forth release me enlarge my territory(repeat)

Take the limits off take the limits off release me release me(repeat)
