"Waughtown Heroes"

A city that's been dead for centuries, saved by five
brothers of Waughtown Street.
On top of the world, on top of the world, on top of the
world
They had it all, they had it all, they had it all
And were destined to be the next big thing
They were the heroes of Waughtown.

Waughtown!

The nights were long. The nights were young.
They watched the clouds chase the stars
Caught under the love spell of a Southern Jezebel
Who promised them that she would take them far.
They packed their things for good and left our town.

Who is gonna save us now
Who is gonna save us now
Who is gonna save us now
Who is gonna save us now
