Verse 1:

Lord I reach for You lead me to Your heart  
And I thirst for You draw me deeper still  
Deeper into the water  
Deeper until I'm under

Chorus:

OO-- OO  
Living water flow  
And over takes us  
OO-- Flo-ow  
Healing water flow  
And over take us

Verse2:

Close enough to feel the cadence of Your heart  
For justice Lord (echo)  
Streams of justice flow to the least of these  
Take us Lord (echo)  
Deeper into the water  
Deeper until I'm under

Chorus:

OO-- OO  
Living water flow  
And over take us  
OO-- Flo-ow  
Healing water flow  
And over take us

16 count break with build up

Bridge:

God give us a heart  
Give us a heart  
give us Your heart  
God give us a heart  
Deep cries out to deep

God give us a heart  
Give us a heart

give us Your heart  
God give us a heart  
For the least of these (x 3)  
Give us your heart Lord God [tenor intro to repetition]

Break my heart with the things that break Your heart
