There will never be a friend as dear to me
There will never be a friend as dear to me
There will never be a friend as dear to me as You

I worship You in spirit and in truth
I worship You in Spirit and in truth

There will never be a friend as dear to me
There will never be a friend as dear to me
There will never be a friend as dear to me as...

There's not a friend like the lowly Jesus
No, no, no, no, no not one
No, no, not one

There's not an hour that He is, He is not near us
No, no, not one
O no, no not one

Jesus knows
He knows all about our trouble
And He will guide till the day
The day is done
There's not a friend
There's not a friend
There's not a friend like the lowly Jesus

No not one
No not one
No not one
No not one
No not one

O what peace we often forfeit
O what needless pain we bear
All because we do not carry
All we gotta do is carry
Everything to God in prayer

What a friend we have in Jesus
All our sins and griefs to bear

What a privilege to carry
Everything to God in prayer
Everything to God in prayer
Everything to God in prayer

Everytime You call me I receive Your healing
Everytime You call me friend
I receive Your healing
