"Least of These"

In the land of the free/ there's more than enough/
dreams become reality/ but not for everyone
In the home brave/hear the song of liberty/ yet we still
have slaves whose master is hunger and poverty
For those who lack/ we have a reason for giving back
this Christmas season/ make a decision for love
Love to the least of these/ true generosity/ is the heart
of Christmas/ love to the least of these/everyone has a
key/ to unlock somebody's dream/ so remember this
holiday/ someone has made a way/ for you to receive/
so give to the least of these
Paradise had it's troubles/ the children's tragedies/
with disaster comes struggle/ that affects decent
families
don't turn your back/ you have the reason for giving
back/ this Christmas season/ make decision for love
what you've done for the least of these/ you've done
for me/ what you've done / done for me
Think of you fellow man/ lend them a helping hand/ put
a little love in your heart/ you want the world to know/
we won't let hatred grow/ put a little love in your heart
And the world will be a better place/ and the world will
be a better place/ for you and me/ just wait and see/
put a little love in your heart/ put a little love in your
heart/ everybody put a little love in your heart
