[verse:]

Out on the farthest edge
There in the silence you were there
My faith was torn to shreds
My heart out of balance
And you were there

[chorus:]

Always faithful
Always good
You still
Have me
You still have my heart

[verse:]

I thought I had seen the end everything broken
But you were there
I've wandered at Heaven's gate
I've made my bed in Hell
But you were there still

[chorus]

You have me
You have me
You have my heart completely (6x)
