you put a song in my heart rhythm in my step  
praise as my guardian for the spirit of heaviness  
beauty for ashes joy for my pain  
love overwhelming causes me to say

(Chorus)

you've made me glad  
you've made me glad  
you've made me glad  
lord i will rejoice because you have made me glad  
you've made me glad  
you've made me glad  
you've made me glad  
lord i will rejoice because you have made me glad

(repeat verse)

so i'm gonna lift my hands and lift my voice the way i  
feel i have no choice  
you've made me glad  
i'm gonna dance and sing and shout for joy  
you've made me glad

(repeat verse 2)

(repeat chorus)
