God Almighty (O God)
God Almighty
You spoke the world into existence
Breathed the breath of life into man
Who said let there be and there was
It would seem to me
You're too busy for me
Too many other things going on
Maybe somebody feels they're disqualified
But the God of the second chance
God of the 3rd and 4th and 5th and 6th and 7th and
29th chance
Is here right now
Do you hear HIM calling you?
COME CLOSER
COME CLOSER FRIEND of Mine
Sit with Me a while
It's alright
It's alright
Not only did I call you out of darkness
Not only did I call you to enjoy this marvelous light
Not only do I call you to worship
But I call you friend
More than just a servant
Servants don't know what their Master is doing
Oh but I have so many things to show you
I have so many things to do through you
Says the LORD
Oh please don't turn away
Come closer
Draw nigh unto Me
I'll set you free
Heal you
Totally
Completely
