Surely Surely  
Israel & New Breed (ft YPJ)

Everybody rock side to side if the feeling that you're  
feeling is the feeling that's right  
Uh Put your hands up

Surely-Surely (Fo' sho') He is holy (you know)  
Holy-holy He is (rewind sing it one more time)  
Surely-surely He is worthy  
Worthy-worthy of all of the praise

Everybody just clap your hands if you agree that He's  
worthy say yeah  
Yeah yeah  
New Breed let's do(say)it again

Surely-Surely He is holy (so Holy)  
Holy-holy He is (and He'll be holy forever)  
Surely-surely He is worthy  
Worthy-worthy of all of the praise

Give Him all that you got if you believe that He's worthy  
let me hear you say yeah  
Yeah yeah  
Ohh yeah

Don't hold back  
Give Him all you've got  
And the praise don't stop till the walls come down  
(I can't believe they coming down)  
Lift your hands open up your mouth  
With a mighty shout to the Lord Yeah

Surely-Surely He is holy  
Holy-holy He is He is  
Surely-surely He is worthy  
Worthy-worthy of all of the praise

Take all ten fingers, put your hands together if He's  
worthy acknowledge forever say

Yeah yeah

Don't hold back  
Give Him all you've got  
And the praise don't stop till the walls come down (I  
can't believe they coming down)  
Lift your hands open up your mouth  
With a mighty shout to the Lord Yeah

Surely-Surely He is ho ho ly  
He's holy  
Yes He is  
Surely-surely He is worthy  
Worthy-worthy of all of the praise

Put you're hands high and clap, move front to da side  
to back and say yeah  
Yeah yeah  
He's worthy so we think it's a manifestation that walls  
are coming down through this verbal declaration

Walls of rejection, anger, depression  
Surely they've got to come down (by the blood of Jesus  
we pullin' them down y'all)  
Walls of addiction disease and affliction  
Surely they've got to come down  
Walls of rejection, anger depression  
Surely they've got to come down  
Wall of addiction disease and affliction  
Oh Surely they've got to come down when we shout

Violence, diseases in the blood line, generational  
curses  
Those walls must come down  
Violence and bloodshed in communities and overflow  
of hearses  
Those walls must come down  
Homosexuality, lesbianism, demonic perversion  
Those walls must come down  
Man we're the generation not afraid to make this bold  
declaration that  
Those walls must come down

Shout  
Till the walls come down  
Down  
Everybody shout  
Shout  
Break the power of the culture everybody (shout)  
Shout  
Till the walls come down

Down  
Everybody shout  
Shout  
Break the power of the culture everybody (everybody  
shout)  
Shout  
Till the walls come down  
Down  
Everybody shout  
Shout  
Break the power of the culture everybody (shout)  
Shout  
Until the walls come down  
Down  
Everybody shout  
Shout  
Break the power of the culture  
Shout the walls down  
(â€¡â€¡break the wall y'all)  
Everybody eau  
Shout  
Break the power of the culture  
Everybody (shout)  
Shout  
Until the walls come down  
Down  
Everybody shout  
Shout  
Break the power of the culture  
Shout the walls down
