There's a liftin' of the hands
There's a liftin' of the hearts
There's a lifting of the eyes beyond the hills where our
help comes from

We will lift up our hands
We will lift up our hearts
We will lift up our eyes beyond the hills where our help
comes from

Our help comes from you, we lift up our hands
Our help comes from you, we lift up our hearts
Our help comes from you, we lift up our eyes where our
help comes from

There's a liftin', we lift up our hands
There's a liftin', we lift up our hearts
There's a liftin', we lift up our eyes where our help
comes from

We realize where I help comes from
