Away, away from the noise
Alone with You
Away, away to hear your voice
And meet with You
Nothing else matters, my one desire is

To worship You, I live
To worship You, I live, I live
To worship You

To worship You, I live
To worship You, I live, I live
To worship You

Away, away, away, away from the noise
Alone with You
'Way, away to hear your voice
And meet with You, meet with You
It's been a while but hear my heart cry again

To worship You, I live
To worship You, I live, I live
To worship You

To worship You, I live
To worship You, I live, I live
To worship You

To worship You, I live
To worship You, I live, I live
To worship You

Nothing else matters
Nothing else matters

To worship You, I live
To worship You, I live, I live
To worship You
