### "Turn Around"

Turn it around  
open the windows of Heaven  
pour out a blessing  
overflow  
Turn it around  
open the windows of Heaven  
pour out a blessing  
we cannot contain  
Let it rain

//all things are possible for You  
all things are possible  
nothing's too difficult for You  
nothing's too difficult//

Im ready for change, ready for rain  
ready for favor  
I know you are able

You have turned my mourning to dancing  
You've turned my sorrow to joy  
You have turned my whole life around  
and I thank You  
Thank You Lord
