You Are Not Forgotten Key of G  
By Israel & The New Breed (feat. Jonny Lang)

People walking by very seldom they say hi  
They don't know how wonderful you are  
If they only knew all the things you've been through  
If only they can see your heart

\*\* I hear you crying for help  
Please don't blame yourself  
You are not forgotten, you are not forgotten

When it's time to go to sleep  
And you try your best to keep yourself from falling  
apart  
There's no need to fear because I'm already here  
And I'm the one who see's your heart \*\*

Bridge  
You are not just a face in the crowd  
You are not a forgotten child  
Let me whisper in the light  
I love you, oh I love you

You can hold your head up high cause I'll make  
everything alright  
I'm committed to you smiling again yeah  
And eventually you see people similarities  
Everyone just needs a friend  
And when they're crying for help  
You'll be able to tell them  
Please tell them for Me  
You are not forgotten, You are not forgotten  
You are not forgotten, You are not forgotten

You're my friend  
Just in Me  
I'm the One I'm the one who sees your heart  
you are not forgotten

Not forgotten no no

Just remember you are not forgotten

You are not forgotten
