Chorus

Friend, there will never be a friend
As dear to me as You
There will be another closer than a brother
Friend, always worth the wait
Faithful as the day You say we are friend
OhÂ...

Verse

You know all about me
The good and the bad
The moment I rise and fall
You see my beginning
You stand at the end
And yet You remain faithful to say IÂ'm your friend

Chorus

Verse

You know all about me
The good and the bad
You know when I rise and fall
You see my beginning
You stand at the end
And yet You remain faithful to say IÂ'm your friend

Chorus

Bridge

Every time You call
I receive Your healing
Every time You call me friend
