Praise Him sun and moon, praise Him shining stars
All created things made at His command
Governments and kings, nations of the earth
Gather young and old to worship
Let everything that has breath

Shout praise to His name
To the name above all names
Sing glory, hallelujah
Hallelujah to His name
King Jesus, Jesus be praised

Underneath our feet there's a shaking
As the church awakes to it's calling
Hope is rising strong, freedom's coming
Heaven and earth unite in worship
Let everything that has breath

Shout praise to His name
To the name above all names
Sing glory, hallelujah
Hallelujah to His name
King Jesus, Jesus be praised

What you want, what you know
We've got to make His kingdom grow
What you want, what you know
We've got to make His kingdom grow

The King is coming, King is coming
Let everything that has breath praise Him
The King is coming, King is coming
Let everything that has breath praise Him

The King is coming, King is coming
Let everything that has breath praise Him
The King is coming, King is coming
Let everything that has breath

Shout praise to His name
To the name above all names
Sing glory, hallelujah

Hallelujah to His name

Shout praise

Sing glory

Hallelujah to His name

King Jesus, Jesus

King Jesus, Jesus be praised
