What if it all depended on me  
To change the world?  
To change the world

What if my only responsibility  
Was to change the world?  
To change the world

Let me be the one to start a revolution  
Let me sing my song to the people of the world  
It all begins with

One, the power of one  
Joining the hundreds of millions  
Of people believing in one  
The power of one

Don't hang around  
Stand up or sit down  
It all begins with one

What kind of love can conquer disease  
And change the world?  
And change the world

What can I do to?  
Make poverty history  
And change the world  
And change the world?

Let me be the one to start a revolution  
Let me sing my song to the people of the world  
To the children of the world  
It all begins with

Please don't turn away  
Let your voices rise  
Put love on display  
And make a difference now

I believe you and me  
Can make a difference now

Oh, oh, oh, it all begins with one
