You and I must make a plan, you must make Soveish  
and a man. And if you need me, oh, i'll be there. When I  
was a little boy, a grand for the sea to me. Since to help  
your friends and neighbors, to live in all of me. When  
the man walks in darkness, he stumbles right upon.  
You should be his brother, to help him all along. Take  
the time to look our eyes, your brother stomps the  
ground. It's to look the other way, listen to what the  
ground says."Why don't you say."When I was a little  
boy, a grand for the sea to me. Since to help your  
friends and neighbors, to live in all of me.(Solo)Ha'ina  
'ia mai ana ka puana, when I was a Keiki my Tutukani  
said to me. Since to help your friends and neighbors, to  
live in all of me. When the man walks in darkness, he  
stumbles right upon. You should be his brother now, to  
help him all along. I'll be there to help you too, you are  
faint in all I heard. Just call my neighbors, and I'll be  
there. Oh, I'll be there. Yes, I'll be there.
