I'll remember you  
Long after this  
endless summer is gone  
I'll be lonely.. oh so lonely  
Living only to remember you

I'll remember You  
Your voice as soft as the warm summer breeze  
Your sweet laughter, mornings after  
Ever after, I'll remember you

To your arms someday  
I'll return to stay  
Till then...

I will remember too  
Every bright star we made wishes upon  
Love me always, promise always  
Ooooh, you'll remember too

To your arms someday  
I'll return to stay  
Till then...

I will remember too  
Every bright star we made wishes upon  
Love me always, promise always  
Ooooh, you'll remember too

I'll remember you.  
I'll remember you.
