On a hilltop in Tahiti as we gazed across the bay  
At the island of Moorea, standing in the day  
And my lovely Margarita serving cool Hinano beer  
I'll be a fool in paradise if I'm a fool out here

Chorus

Yo lana, can you stand the heat  
Yo lana, bouncing in bare feet  
Yo lana, when you laugh at me  
Yo lana, said I... I'm in ecstasy

Her name is Margarita and the salt upon your lips  
Tell me lemon and tequila is the flavor of your kiss  
All the magic and the beauty and the humor of this  
Isle  
Is captured like a goldfish in the sparkle of your  
Smile

Repeat Chorus

The sunshine warms your mountain and it paints you  
Golden brown  
These waters lap around you where I only hope to  
drown

The coconut plantation, the sea and sky are blue  
The south pacific islands they are all caressing you

Repeat Chorus

The crimson dress you're wearing, with nothing  
Underneath  
The flower there behind your ear, the grass beneath  
Your feet  
Margarita, Margarita please dance with me tonight  
We will dance together where the stars are shining  
Bright

Repeat Chorus

Margarita, Margarita I come from far away

Let's go take a dive down in Makawai Bay  
Margarita, Margarita, we pokin Hinalea  
We go in the dark and we don't need a spear

Repeat Chorus
