So many people
Come walking by
Looking so happy
While all I do is cry
I just want to be
With somebody too
What I'd give for a kiss
What am I gonna do

Why can't I fall in love
Why must it, it seem so hard to find
Why can't I fall in love
I know she's out there waiting
So why, why can't I fall in love

Hey now I see
It's always been me
I thought I was deaf
In my misery
It's time to get real
And change where I'm at
But the same old questions
Keep following me back

Why can't I fall in love
I know she's out there waiting
It's time to fall in love
And let her know
Just how I feel
Give it up
Or give it all
Something tells me this can't be real

I know she's out there waiting
It's time, it's time
Why can't I fall in love
Why must it, it seem so hard to find
Why can't I fall in love

I know she's out there waiting
It's time, it's time

Why can't I fall in love
Why must it, it seem so hard to find
Why can't I fall in love

I know she's out there waiting
So why, why can't I fall in love
