A faithful promise yeah is just a comfort to foooooool

You gave a great speech yeah
then you killed them with your promises
sufferation to the max you see
the only thing that increases

How long you going hold the vail
over my people's eyes ?
How long you sit over there
and tell a bag of bold lie yeah

oh oh woah jericho the children went
woah oh oh oh jericho wo whoa the african descent

It takes a revolution sometimes
to make di solution
and it's my conclusion, you know
it is the only solution yeah

sit up in your high rise yeah
inna your jacket and you neck tie
you don't a care when the sufferers cry yeah
time you realize yoboyoboyo yeah

oho jericho the children went
oho jericho in the African descent

How long you going hold the veil
over my people's eyes?
How long you going sit over there
and tell a bag of bull an lies
Sit up in your high rise
inna your jacket and your neck tie
you never hear when the sufferers cry
a time you realize yoboyoboyo

oho jericho the children went
oho jericho in the african descent

A faithful promise yeah is just a comfort to foooooool

how long you gonna sit over there
and a go be the damn fool

oho jericho in the african descent
oho jericho to africa we went
oho jericho in the african descent
oho jericho in the african descent

revolution....
