I'm sure it was on the 24th of september
than was the day this incident happened, I remember

my brethrens were all assembled in one of all (inna the
yard)
minding ther own personality (of I quality)

babylon then came along (have you just seen)
with the forces of brutality

licks and kicks and boxes
right to my brethrens' chapter
licks and kicks and boxes
right to my sisters' faces

oh jah, I know you stay there around seeing
what they did, that was meant to be
for it is the fulfilment of the holy prophecy

oh jah, I know you stay there around seeing
what they did, that was meant to be
for it is the fulfilment of the holy prophecy

to everything there is a season
and what the did, they had no reason

we are they that went through great tribulation
so let them be brought to shame and confusion
for what they did without a cause

(licks and kicks and boxes)
on the 24th night of september 1976
(licks and kicks and boxes)
wicked men had froam it all
without a reason, no

(licks and kicks and boxes)
they hit us and box us
they took us away to a place called
(licks and kicks and boxes)
no man's an island
