So the system mud-up
Pon the frontline it blood-up blood-up

Babylon you fi ease-up ease-up
you just a push and a squeeze-up squeeze-up

Cat away your evil spell
Jah will pour some water in the well

'Cause you so greedy-greedy
You rob the poor and needy-needy
You and your fancy talking
You cool and deadly walking
You Furmans them stalking, brutalizing and shooting

Dramatizing pon the televee
How the police them a batter we

People mek we unite-unite
'Causo this ya street fight right
Babylon just a bust-up we head
We little children shot down and dead

Where it begin? When will it end!
When lion and tiger become friend
And a him a back-up back-up
Pull me over and a ruff-up tuff-up
Expensive car and gold a shock-out
Jealousy rage, start rip-out rip-out

Work so hard just to survive you see
But the Babylon a envy me

'Cause him system design
Fi hold me down and keep me behind
Move you red eye back-off a mine
You just a grunt and a dig like a swine

You fi ease-up ease-up
You just a squeeze-up squeeze-up
Penalizing harassing each day

Trying to take I freedom away
