You'd better buckle up, buckle up
New wave
You'd better shape up, shuffle up
You just a bubble up, bubble up
New wave
Where is the love to be found?
Where is the love?
Them a fight more war
Yeah
Where did Moses go?
Him standin on Jah solid rock
Where did Noah go?
Him standin on Jah solid rock
Where did Abraham go?
Him standin on Jah solid rock
We don't need your misery
Nor your take way nology
Them a rude boythem no cool
Them a wail...New wave
Because fire dey a mus mus tail
New wave
