One day got to be payday  
Payday, go to haffe come my way  
Sitting over there  
Under your false pretense  
Living so nice  
Off the poor man's expense  
Hungry man got to roam the street  
I tell you, white squall  
Is such a terrible threat  
One day got to be payday  
Payday coming what may  
One day you got to haffe big payday  
Where, where, where is my share?  
Tell me it's Up, Up in the air  
How, how could I get my share?  
You reply, try upon a broken chair  
One day (etc )  
Ain't gonna be your hally button,  
Work for nothin  
By the sweat of my brow,  
I wanna eat my bread  
One day (etc.)
