Oh...oh...oh...oh  
Oh what a competition  
But Jah is my highest region  
Rocking through revelation  
Chanting to Jah holy nation  
Come wash your sins away little children  
Wash your sins away  
Forgive, that your sins may be forgiven  
Wash your sins away  
Oh what a situation come pon Jah creation  
Worldwide confusion...well...nuclear explosion  
You better love Jah children, instead of trying to kill  
them  
Jah will visit you with vengeance  
You can't defeat him with violence  
There must be creation and Jah Jah to reign  
There must be a people to call upon his name  
Lucifer is wounded, he loses the fight  
Think everything is rightJah will come so real and right  
Jah will come so real and right  
Nuclear explosion  
Destruction  
Nuclear condemnation  
Upon all nation  
Won't you stop from fuss and fight  
Jah will come so real and right
