Now that the wolves  
Start shed clothing  
There'll be less confusion  
Not much carousing  
Jah, you're the  
Strength of my life  
Of whom I and I must be afraid  
Purify, purify my soul  
Quench our thirst with water  
Woman went to fill  
Her water pot  
Down in the bottom  
Of Jah well  
Jah gave her the water  
That was not  
Into the bottom of the well  
Jah, you're the  
Strength of my life  
Of who I and I must be afraid  
My cup is filled  
Cot to overflow  
And where Jah send I  
I got to go.  
In the bosom of the beast  
Or even the belly  
Of the whale  
Jah, you're the  
Strength of my life (etc.)  
Can't be like Jonah  
In no overload  
His idrens  
Had to throw him overboard  
Jah, you're the  
Strength of my life (etc.)
