"THANK YOU JAH"

All things wise and wonderful.
All creatures great and small.
As the sun rise on top of my head.
I give Jab thanks for my daily bread.
So what is to be got to be. / Back way with your
hypocrisy.
Thank you Jab for what you've done for me.
Out in the wineyard man go.
He plant yam and he plant coco.
So what have you sew, so shall you reap,
You plant the chickens, and you plant the sheep.
Thank you Jah for what you've done for me.
All creatures great and small.
The Lord God a made them all.
And whether you friend or whether you foe.
From your wrong, we gonna let you know.
Thank you Jah for what you've done for me.
For in Jah words I truly believe.
Of small morsels I thankfull receive.
For the son of God I can never deceive.
So thank you Jah for what I receive.
Thank you Jab for what you've done for me-
I just want to say thank you. I just want to say thank you.
For a little bit of prayer. Say it's my heart's desire.
I just want to say thank you.
