There is no end to a good thing, oh no  
Cause everyday there is Jah loving, yeah  
Principalities and power  
Them planning war on the hour  
A spiritual wickedness in a high places  
I saw the children cry  
I saw the children die  
I saw much fuss and fights  
Against the truths and rights  
Jah love within stronger than there sins  
Them just can't conquer Jah love within  
Kepp it up Jah children  
Livin up your roots  
Every tree stays up by its roots  
Make we sing and shout  
Tell it all about  
Jah Jah live and reign  
And he is still the same  
A some of them the branches  
A some a them the leaves  
A strictly I and I a the roots
