"Try Again"

Visit "[Try Again](#)" on MotoLyrics.com

If at first you don't succeed, try again, try again yeah
Time will bring you your reward
Try again, try again
Cause in this life, survival is the key to all creatures
great and small
Mankind right down on the flea
It's a price of living which we got to pay
Try again, try again
Rise up from your sleep and from your slumber
Cause this day may bring your lucky number
Wipe them teardrops from your days
Cause you can make it if you try
Don't give up so easily
Keep on trying you ill see
Try again..try again
Keep on trying
Don't give up so easily
Have some faith and you will see
Try again...try again
