Whoa...
Run bredda rat, bredda puss after you
Run bredda puss, bredda dog after you
Tell me what you really gonna do
What you gonna do?
The cat chased the mouse
While the dog raced the cat around the corner
The vultures are waiting to see the great slaughter
So they can fly down and clean up after
While the big guys sit up over yonder having all the
laughter
While they laugh
Sipping champagne
Having all the best of wine
They assemble to mess up your mind
I ah oh ya
What you gonna do now?
Do now
I ah oh ya
What you gonna do?
They always try to do to us the things that are wrong
But we'll forever be, forever strong
I ah oh ya
What you gonna do now?
Do now
I ah oh ya
We work so hard
For a very long time
And still I'm telling you:
Cant find no food to take a we yard
I ah oh ya
What you gonna do now?
Do now
I ah oh ya
What you gonna do?
What you gonna do?
Babylon chasing after you
I ah oh
Brother oh now
Say whoa
Sister whoa

Whoa yo...whoa yo...whoa yo
