I get crazy butterflies inside thinking 'bout your love  
Would it be too much to ask for, for you to open up?  
I've been searchin' for an honest man  
Someone to make me smile  
Like a summer breeze, can you feel me boy, I'm  
Reaching out

Only time will tell if what I feel is true  
'Cause all I see and feel leads me back to you  
Some way, some how I wanna know your love  
And you don't even realize, heaven sent you from  
above  
Yes, I hope

Hope you get this message I send  
Because I love all the time that we spend  
I've been longing for you to come through  
I hope you get this message for u

Isn't it scary how we lose control of what we feel inside  
Barely knew your name a short while ago but now you  
are my life  
I've been waitin', waitin' for the perfect opportunity  
To let you know just how I feel and what you mean to  
me

Only time will tell if what I feel is true  
'Cause all I see and feel leads me back to you  
Some way, some how I wanna know your love  
And you don't even realize, heaven sent you from  
above  
Yes, I hope

Hope you get this message I send  
Because I love all the time that we spend  
I've been longing for you to come through  
I hope you get this message for u

And my life has no meaning at all, if I can't  
Give my heart and soul to you and for you  
I'm giving it all  
Whatever it takes, I'm sending

This message for u
