Sitting here, Daydreaming about you
Oh, everything we had, wish I could get it back
Cause if it ain't you, then I don't want it
And if it ain't you, then it ain't for me
I can see your face, whenever i be sleepin,
But It hurts when I realize im dreaming

So if I cant have you, I'll just be single for the rest of my
life
Cause you cant be replaced by nobody else
I'll go crazy if I cant have you for myself
if I cant have you, I'll just be single for the rest of my
life
I've decided that nobody can compare to you
theres nobody that can make me feel the way you do

there've been a few, who've tried to take your place
ive been on many dates, still it just aint the same
if its not a letter sent from you then i dont read it
if its not a gift sent from you then i dont need it
ive been longin just to find somebody like you
but nobody can do it quite like you

So if i cant have you, i'll just be single for the rest of my
life
Cause you cant be replaced by nobody else
i'll go crazy if i cant have you for myself
if i cant have you, ill just be single for the rest of my life
ive decided that nobody can compare to you
theres nobody that can make me feel the way you do

I took your pictures off the wall, that didnt seem to help
at all
so i'ma put it out there, i'ma let you know
if you need to rest your head, you can come back home
I thought that I could live without your love you know I
tried,
but I feel incomplete when I dont have you in my life
so i'ma put it out there, i'ma let you know
if you need to rest your head, you can come back home

So if I cant have you, I'll just be single for the rest of my
life
Cause you cant be replaced by nobody else
I'll go crazy if I cant have you for myself
if I cant have you, I'll just be single for the rest of my
life
I've decided that nobody can compare to you
theres nobody that can make me feel the way you do

So if I cant have you, I'll just be single for the rest of my
life
Cause you cant be replaced by nobody else
I'll go crazy if I cant have you for myself
if I cant have you, I'll just be single for the rest of my
life
I've decided that nobody can compare to you
theres nobody that can make me feel the way you do

nobody can make me feel the way you do
oh no
nobody.....
