Last night

We had a fight, you ran out didn't call, didn't page me  
Hangin' out witcha boys knowin' that they question why  
we

On again off again, enemies then friends  
I can't explain the way we do our thing  
So I count the days

Chorus

One day ain't no thing to me, two days go by easily  
Three days don't know what to do  
Four days makin' mad calls to you  
Five days just like friends again  
Six days we makin' love again  
Some don't think our love is true but  
That's just the way we do

All my girls wanna know why I stay 'cause 'cause it's so  
damn crazy  
24-7 days we swing, we sway (I leave then I stay)  
Constantly in love some days, outta love some days  
Can't understand exactly why I stay  
But I like it this way

One day ain't no thing to me, two days go by easily  
Three days don't know what to do  
Four days makin' mad calls to you  
Five days just like friends again  
Six days we makin' love again  
Some don't think our love is true but  
That's just the way we do

I don't know what to do  
They don't think our love is true  
They don't understand why I stay  
But I like it that way

One day ain't no thing to me, two days go by easily  
Three days don't know what to do  
Four days makin' mad calls to you  
Five days just like friends again  
Six days we makin' love again

Some don't think our love is true but  
That's just the way we do
