Mine, immaculate dream made breath and skin
I've been waiting for you...
Signed, with a home tattoo
Happy birthday to you...
Was created for you

Can't ever keep from falling apart at the seams
Can't I believe you're taking my heart to pieces

Oh, it'll take a little time
Might take a little crime to come undone now

We'll try to stay blind
To the hope and fear outside
Hey child, stay wilder than the wind
And blow me in to cry

Who do you need, who do you love...
When you come undone?

Words, playing me deja vu
Like a radio tune I swear I've heard before
Chill, is it something real
Or the magic I'm feeding off your fingers

Can't ever keep from falling apart at the seams
Can I believe you're taking my heart to pieces

Lost, in a snow-filled sky
We'll make it alright to come undone now

We'll try to stay blind
To the hope and fear outside
Hey child, stay wilder than the wind
And blow me in to cry

Who do you need, who do you love...
When you come undone?
