

It Dies Today "The Radiance"

This room is dark and this bed is unfamiliar
My only company tonight is this tattered photograph
Which simply serves as a reminder of everything that I
have lost

The radiance of the stars in the sky
Seems meaningless without your pictures in my mind
Reflect their images, it's meaning less
Until you open up your eyes and turn away

I long for sleep, so that I may visit you in my dreams
tonight
It seems to be the closest that I come to catch their
glow in your eyes

The radiance of the stars in the sky
Seems meaningless without your pictures in my mind
Reflect their images, it's meaning less
Until you open up your eyes and turn away

I wish I could just stop missing you
But you're all I have
That gives all the meaning to the beauty in the sky
The radiance, it's meaningless

The radiance of the stars in the sky
Seems meaningless without your pictures in my mind
Reflect their images, it's meaning less
The radiance

The radiance, it's meaningless
The radiance, it's meaningless
The radiance, it's meaningless
The radiance
Until you open up your eyes and turn away
