Microphonies
Cabaret Voltaire
Hold my ears against the wall,
Cannot hear a word at all.
What you do when catching rays,
Reaching for eternity.
We're waiting.
When? When? When? When?
I'm so jagged, I'm afraid.
In this place where nothing's safe.
Someone elucidates.
It's late. Too late!
We're waiting.
When? When? When? When?
We're waiting.
When? When? When? When?
Tell me when it's all divided,
Tell me where it's all decided.
Watching useless stand in line.
Everyone, there comes a time.
We're waiting.
Better set yourself in motion.
Running down this rocky road.
Everywhere is webs and tangles,
Everywhere is hidden angles.
We're waiting.
When? When? When? When?
Tell me where it's all decided.
Tell me when it's all divided,
We're waiting.
We're waiting.
We're waiting.
We're waiting.
When? When? When? When?
I'm so jagged, I'm afraid.
In this place where nothing's safe.
Someone elucidates.
It's late. Too late!
We're waiting.
When? When? When? When?
