"James Brown"
Microphonies
Cabaret Voltaire
Everything. Devoured.
I learn to hold my, will power.
Everything. Devoured.
I learn to hold my, will power.
When it comes, it falls in pieces.
Eating holes and gems unbound.
Birds and hearts and flags and everything.
Said, everything. Devoured.
I learn to hold my, will power.
Said, everything. Devoured.
I learn to hold my, will power.
Money matters. Does mercy matter?
Suddenly, as things are clearer,
See the sights are getting nearer.
Said, everything. Devoured.
I learn to hold my, will power.
Said, everything. Devoured.
I learn to hold my, will power.
Money matters. Does mercy matter?
Suddenly, as things are clearer,
See the sights are getting nearer.
Said, everything. Devoured.
I learn to hold my, will power.
Said, everything. Devoured.
I learn to hold my, will power.
Money matters. Does mercy matter?
Suddenly, as things are clearer,
See the sights are getting nearer.
Everything. Devoured.
I learn to hold my, will power.
I said, everything. Devoured.
I learn to hold my, will power.
When it comes, it falls in pieces.
Eating holes and gems unbound.
Birds and hearts and flags and bugs.
Said, everything. Devoured.
I learn to hold my, will power.
Said, everything. Devoured.
I learn to hold my, will power.
