Time is too Slow for those who Wait
and Time is too Swift for those who Fear
Time is too Long for those who Grieve
and Time is Too Short for those that Laugh
and Love is too Slow for those who Wait
and Love is too Swift for those who Fear
and Love is too Long for those who Grieve
and Love is too Short for those that Laugh
But for Those who Love
But for Those who Really Love
But for Those Who Love
Time, Sweet Time, Precious Time, Lovely Time
All the Time
Time Time Time Time Time Time Time Time Time
is Eternity
Instrumental Interlude
Drum Solo
Hours fly, Hours fly, Hours fly
But Even Flowers Must die And then a New day Comes
And there's a New Day's Dawn
And There's a New Day's Sun
And Love Stays On, Sweet Love Stays on, Love Stays On
Love Stays On, Love Stays On, Love Stays On
Love Stays On, Love, Love, Love, Love ...Takes
Time... Time... Time...Time... Time
Time is too Slow for those who Wait
And Time is too Swift for those who Fear
Time is too Long for those who Grieve
And Time is too Short for those that Laugh
And Love is too Slow for those who Wait
And Love is too Swift for those who Fear
And Love is too Long for those who Grieve
And Love is too Short for those that Laugh
But for those who Love, But for those who Love
But for those who Really Love, Yes for those who Really
Love
Yes for those who Really Love, But for those who Love
Sweet Time, Sweet Time, Sweet Love, Precious Time
Sweet Time, Precious Love
Sweet Love
Sweet Time
Time, Time, Time, Time, Love, Time, Love, Time, Love

,Love , Time, Love Time,
Time... Time... Time
Is Eternity.
