She grabed my hand and said lets go back to my place
I'm on the road so we've got no time to waste

He's putting his pants on
Shes making the bed
He's wondering what
he could have possibly said
Cause that was way too easy
and she's not that type of girl

He'll tell you one more time
over one more round
He's a no good boy
girl he'll bring you down
tell you one more time
over one more round

Sleeps in your bed and he calls you baby
He won't commit and it drives you crazy
whoa oh oh oh oh
whoa oh oh oh oh

Tell me right now and ill tear you apart
If you love me right now i will tear you apart

Since that last night every nights been the same
Its a different girl with no face and no name
And he's feeling guilty
Cause he's not that type of guy
He'll tell you one more time
Over one more round
He's a no good boy
Girl he'll take you down
Tell you one more time
Over one more round
